Student must take adequate number of upper level hours.
There are 32-35 upper level hours built into the Psychology
degree, therefore students must take a minimum of 8-11
hours of upper level courses in order to meet the 40-hour
upper level requirement. While not required, a minor in a
field related to a future career is recommended.

VI. Total Hours Required

VII. Special Requirements

The OSRHE computer proficiency graduation requirement will be met through
completion of one of the courses in the institution's general education computer
literacy option (including equated or substituted courses) or testing out of the
challenge exam for one of these courses (all courses may not have challenge
exams), OR successful completion of an Associate of Arts or Associate of
Science degree at an Oklahoma two-year college in which the computer skills
requirement was met. Satisfaction of this requirement may not reduce or remove
any program requirements.
