Monthly Progress Report

Dear Teacher: Thank you so much for supporting our student. We share an interest in seeing students succeed. Your support of Upward Bound students is critical. Each Upward Bound student is required to submit a monthly progress report signed by each of his or her instructors. Please provide the student's letter grade or percentage and sign your name. We welcome your feedback about our student's progress, resources needed, etc. Feel free to contact us anytime. Thank you again for your assistance!
