Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with <i>Government Auditing Standards</i>	34

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
East Central University Foundation, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of East Central University Foundation, Inc. (a nonprofit organization) (the "Foundation"), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Foundation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

(Continued)

INDEPENDENT AUDITORS' REPORT, CONTINUED

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 13, 2021, on our consideration of the Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control over financial reporting and compliance.

EAST CENTRAL UNIVERSITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS

June 30, 2021 and 2020

(1) NATURE OF THE ENTITY

East Central University Foundation, Inc. (the “Foundation”) is a nonprofit corporation formed in 1970. The purposes for which the Foundation is organized are exclusively scientific, literary, charitable, educational, and artistic for the benefit of East Central University (the “University”) in Ada, Oklahoma, its faculty, its student body, and its programs. The Foundation may also serve as trustee of charitable lead trusts, charitable remainder trusts, and other private trusts of which the Foundation and/or the University are beneficiaries, notwithstanding the facts that the donors of such trusts retain a beneficial interest therein or that other charitable organizations are designated as beneficiaries of such trusts.

As gifts are received by the Foundation, they are placed into new or existing funds, as appropriate, in accordance with the stipulations of the donors. Distributions of amounts held by the Foundation are subject to the approval of the Board of Trustees (the “Board”). The purposes for which the Foundation is organized are exclusively for the benefit of the University, its faculty, its student body, and its programs. As such, the University and the Foundation are considered financially interrelated as defined by accounting principles generally accepted in the United States.

Program Activities for the University

Scholarship awards—The Foundation raises funds annually to assist select students with their costs related to their higher education pursuit. The Foundation also assists with special one-time student needs that arise and helps keep students pursuing and finishing their degree. Additional support may be granted for special one-time projects where an educational benefit will be made available for students.

General University educational assistance—The Foundation was organized to provide scientific, literary, charitable, educational, and artistic support for the benefit of the University, its faculty, its student body, and its programs. This is done through aiding the University faculty/staff, its educational programs, its building projects, and its assistance with institutional outreach.

See Independent Auditors’ Report.

EAST CENTRAL UNIVERSITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Foundation follows the Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC). The ASC is the single source of authoritative guidance for accounting principles generally accepted in the United States. The statements have been prepared on the accrual basis of accounting. Under accounting principles generally accepted in the United States, net assets and revenues, gains and losses are classified based on the existence or absence of donor-imposed restrictions as follows:

Net assets without donor restrictions—Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Foundation. These net assets may be used at the discretion of the Foundation’s management and the Board.

Net assets with donor restrictions—Net assets subject to restrictions imposed by donors. Some donor restrictions are temporary in nature. Those restrictions will be met by action of the Foundation or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donors have stipulated the funds be maintained in perpetuity. Generally, the donors of these assets permit the Foundation to use all or part of the income earned on any related investment for general or specific donor-imposed purposes.

Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, the net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Contributions

Contributions, including unconditional promises to give and unconditional pledges receivable, are recognized as revenues in the period received by the Foundation. Conditional promises to give and conditional pledges receivable are not recognized until the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value at the date of gift. An allowance is made for uncollectable contributions based upon management’s judgment and analysis of the creditworthiness of the donors, past collection experience, and other relevant factors. As of June 30, 2021 and 2020, no allowance was considered necessary.

See Independent Auditors’ Report.

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED**

Contributions, Continued

The Foundation records unconditional promises to give and unconditional pledges receivable that are expected to be collected within one year at net realizable value. Unconditional promises to give and unconditional pledges receivable expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statements of activities. The Foundation determines the allowance for uncollectable promises to give and uncollectable pledges receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give and pledges receivable are written-off when deemed uncollectable.

Contributions received are reported as either revenues without donor restrictions or revenues with donor restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gifts of property and equipment are recorded as support without donor restrictions unless explicit donor stipulations specify how the assets must be used, in which case the gift is recorded as support with donor restrictions. Expirations of restrictions (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions. Contributions which are received and whose restrictions are met in the same period are recognized as contributions without donor restrictions.

Income and gains on investments are reported as increases in net assets with donor restrictions if the terms of the gift that gave rise to the investment or applicable law require such amounts be added to endowment principal or if the terms of the gift or applicable law impose restrictions on the use of the income, and as increases in net assets without donor restrictions in all other cases.

Cash and Cash Equivalents

The Foundation considers all highly liquid debt instruments with an original maturity of 3 months or less when purchased to be cash equivalents.

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED**

Investments

The Foundation maintains the majority of its endowment assets in a pooled investment fund. Additional investments are maintained separately in accordance with the donor's instructions. Investments are reported at fair value calculated in accordance with ASC Topic 820, "Fair Value Measurement" (ASC 820). Investment securities with readily determinable market value information are adjusted to market value, with realized and unrealized appreciation and/or depreciation on investments to be recorded in the statements of activities. Fair value is determined based on quoted market prices, observable inputs, or unobservable inputs. Investments included in the pool are certificates of deposit, corporate bonds, mutual funds, privately owned corporate stock, and U.S. government securities. The Foundation's investment committee monitors the performance of all investments and instructs Foundation management as to the mix of assets to be maintained in the investment pool. Investments are made in accordance with the investment policies of the Foundation.

Real Estate Held as Investment

Real estate held as investment consists primarily of real property and forms of real property interests donated to and/or purchased by the Foundation and are carried at the lower of cost or market. The Foundation holds these assets until such time as they are transferred to the University or sold. No attempt is made by management to revalue other property investments at subsequent dates prior to transfer or sale due to the prohibitive cost of obtaining periodic appraisals; however, the Foundation's management is of the opinion that any subsequent revaluation would not have a significant impact on the Foundation's statements of financial position or changes in net assets. Impairments are recorded to reduce the carrying value of the assets to their net realizable value based on facts and circumstances at the time of determination. No property investment impairments were recorded in 2021 or 2020.

Other Assets

Included in other assets was approximately \$21,000 and \$20,000 of cash surrender value assets related to insurance policies owned by the Foundation as of June 30, 2021 and 2020, respectively.

Non-Cash Contributions

Included in other assets was approximately \$12,000 of donations made by donors of items given to the Foundation as of both June 30, 2021 and 2020. The non-cash contributions are recorded at their fair values in the period received. The fair market value is determined using observable prices of identical or similar products.

During the year ended June 30, 2018, a related party made a stock donation of 4,125 shares of privately owned corporate stock. The corporate stock was evaluated at \$34.25 and \$26.00 per share at June 30, 2021 and 2020, respectively, resulting in a fair market value of \$141,281 and \$107,250, respectively. This corporate stock gift is included in investments on the statements of financial position.

See Independent Auditors' Report.

EAST CENTRAL UNIVERSITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Note Payable

On April 20, 2020, the Foundation was granted a loan (the “Loan”) from Vision Bank in the amount of \$47,100, pursuant to the Paycheck Protection Program (PPP) under Division A, Title I of the CARES Act, which was enacted March 27, 2020. The Loan bears interest at a rate of 1.00% per annum, due on demand or, if no demand, on March 20, 2022. The Loan may be prepaid by the Foundation at any time prior to maturity with no prepayment penalties. Funds from the Loan may only be used for payroll costs, benefits, and certain other qualifying expenses, including rent, utilities, and interest on other debt obligations incurred before February 15, 2020. The Foundation used the entire Loan amount for qualifying expenses. On December 8, 2020, the Loan was forgiven in the amount of \$47,100.

On February 13, 2021, the Foundation was granted a second PPP Loan (the “second Loan”) from Vision Bank in the amount of \$47,177. The second Loan bears interest at a rate of 1.00% per annum, payable in one payment of the outstanding balance plus accrued interest due on February 16, 2026. The Foundation used the entire second Loan amount for qualifying expenses. On June 29, 2021, the second Loan was forgiven in the amount of \$47,177.

The Foundation recognized a total gain on extinguishment of debt of \$94,277 on the statement of activities for the year ended June 30, 2021.

Investment Income

Investment earnings are allocated to the individual sub-funds of the Foundation on a quarterly basis. These earnings are allocated based upon the individual sub-fund’s percentage of participation in the investment pool. Realized and unrealized gains and losses are determined using the specific identification method; however, these transactions are included in the pool’s income for allocation purposes. Investment earnings were netted with related external and direct internal investment expenses.

A portion of investment earnings is allocated to support the operations of the Foundation. The Foundation historically has allocated 25% of investment earnings to operations. The amounts allocated are recorded as interest and dividends in the net assets without donor restrictions in the accompanying statements of activities. Amounts so transferred in excess of the current operations requirements remain in the net assets without donor restrictions for future use as deemed necessary by the Foundation’s management and the Board and to support the Foundation’s scholarship program.

See Independent Auditors’ Report.

EAST CENTRAL UNIVERSITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Furniture and Equipment

Furniture and equipment are recorded at cost if purchased or at appraised value if received by donation. Furniture and equipment are being depreciated on a straight-line basis over their estimated useful lives, which range from 3 to 10 years. The Foundation records impairments of its property and equipment when it becomes probable that the carrying value of the assets will not be fully recovered over the estimated useful life. Impairments are recorded to reduce the carrying value of the assets to their net realizable value based on facts and circumstances at the time of the determination. No furniture or equipment impairments were recorded for the year ended June 30, 2021 or 2020.

Artwork

Artwork is recorded at the appraised value at the time of donation.

Income Tax

The income earned by the Foundation has been determined to be exempt from income taxes by the Internal Revenue Service in accordance with Internal Revenue Code (IRC) Section 501(c)(3). However, unrelated business income earned by the Foundation is subject to tax. Additionally, the Foundation has been determined not to be a private foundation within the meaning of IRC Section 509(a).

The Foundation evaluates and accounts for its uncertain tax positions, if any, in accordance with ASC Topic 740, "Income Taxes," including the Foundation's tax position as a tax-exempt, not-for-profit entity. Through the Foundation's evaluation of its uncertain tax positions, management has determined no uncertain tax positions existed as of June 30, 2021 or 2020, which would require the Foundation to record a liability for the uncertain tax positions in its financial statements. Interest and penalties, if any, resulting from any uncertain tax position required to be recorded by the Foundation would be presented in operating expenses in the statements of activities. With few exceptions, the Foundation is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years ended on or before June 30, 2018.

Use of Estimates in Preparing Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

See Independent Auditors' Report.

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED**

Use of Estimates in Preparing Financial Statements, Continued

Estimates that are particularly susceptible to significant change include the valuation of investments and pledges receivable. The Foundation's various investment instruments are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with these financial instruments, it is reasonably possible that changes in the values of the investments and beneficial interest will occur in the near term and that such changes could materially affect the amounts reported in the statements of financial position. Significant fluctuations in fair values could occur from year to year, and the amounts the Foundation will ultimately realize could differ materially. Management's estimates of investments, pledges receivable, and the evaluation for allowance are based on consideration of all relevant available information and an analysis of the collectability of individual contributions, which arise primarily from pledges at the financial statement date.

Net Asset Reclassifications

The Foundation reclassifies net assets from one net asset category to another as follows:

- a. Net asset reclassifications which result from fulfillment of the purposes for which the net assets were restricted and/or restrictions which expired with the passage of time.
- b. Net asset reclassifications which occur when a donor withdraws or court action removes previously imposed restrictions, when a donor imposes restrictions on otherwise net assets without donor restrictions, when a donor changes or modifies their existing restriction, and/or when an existing donor restriction requires certain amounts to be reclassified.

Functional Allocation of Expenses

The statements of functional expenses present expenses by function and natural classification. Expenses directly attributable to a specific functional area of the Foundation are reported as expenses of those functional areas. Expenses that are attributable to more than one program or supporting function are allocated on the basis of time and effort; there were no such allocated expenses for the year ended June 30, 2021 or 2020.

Concentrations of Credit Risk

The Foundation had certain concentrations of credit risk with financial institutions in the form of uninsured cash and time deposits. For purposes of evaluating credit risk, the stability of financial institutions conducting business with the Foundation is periodically reviewed, and management believes that credit risk related to the balances is minimal.

See Independent Auditors' Report.

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED**

Scholarship Awards

Scholarships are accrued when the disbursements are made to the students, which is when all of the conditions would have been met and the scholarship would have been effectively earned by the students.

Advertising Costs

All costs associated with advertising are expensed as incurred.

Recent Accounting Pronouncements

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update No. 2016-02, “*Leases*” (Topic 842) (ASU 2016-02), which requires that lessees recognize on the balance sheet the assets and liabilities for the rights and obligations created by operating leases. ASU 2016-02 was initially effective for financial statements issued for fiscal years beginning after December 15, 2019. ASU 2016-02 has been amended numerous times and is currently effective for fiscal years beginning after December 15, 2021. The Foundation is currently evaluating the impact on the financial statements of adopting ASU 2016-02.

In August 2018, FASB issued ASU No. 2018-13, “*Fair Value Measurement*” (Topic 820): *Disclosure Framework—Changes to the Disclosure Requirements for Fair Value Measurement* (ASU 2018-13), which removes, modifies, and adds disclosure requirements on fair value measurements. ASU 2018-13 is effective for fiscal years beginning after December 15, 2019. Early adoption is permitted. In addition, early adoption of any removed or modified disclosures and delayed adoption of the additional disclosures until the effective date is also permitted. The Foundation adopted ASU 2018-13 on July 1, 2020, which did not have a significant impact on the Foundation’s financial statements.

In September 2020, FASB issued ASU No. 2020-07, “*Not-for-Profit Entities*” (Topic 958): *Presentation and Disclosure by Not-for-Profit Entities for Contributed Nonfinancial Assets* (ASU 2020-07), which requires not-for-profit entities to present contributed nonfinancial assets as a separate line item in the statements of activities and requires certain additional disclosures related to contributed nonfinancial assets. ASU 2020-07 is effective for fiscal years beginning after June 15, 2021. The Foundation is currently evaluating the impact on the financial statements of adopting ASU 2020-07.

Date of Management’s Review of Subsequent Events

Management has evaluated subsequent events through September 13, 2021, the date which the financial statements were available to be issued, and determined that no subsequent events have occurred that require adjustment to or disclosure in the financial statements.

See Independent Auditors’ Report.

EAST CENTRAL UNIVERSITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(3) CASH AND CASH EQUIVALENTS

A summary of the cash and cash equivalents at June 30 is as follows:

	<u>2021</u>	<u>2020</u>
Cash in bank	\$ 225,625	275,063
Money market account held at TIAA	-	1,586,746
Money market account held at Vanguard	<u>800,150</u>	<u>-</u>
	<u>\$ 1,025,775</u>	<u>1,861,809</u>

Custodial Credit Risk—Deposits

The Foundation had the following depository accounts as of June 30, 2021 and 2020. All deposits are carried at cost.

<u>Depository Account</u>	<u>2021</u>		<u>2020</u>	
	<u>Reported Amount</u>	<u>Bank Balance</u>	<u>Reported Amount</u>	<u>Bank Balance</u>
Insured	\$ 225,625	250,000	250,000	250,000
Uninsured and uncollateralized	<u>800,150</u>	<u>1,024,287</u>	<u>1,611,809</u>	<u>1,637,716</u>
	<u>\$ 1,025,775</u>	<u>1,274,287</u>	<u>1,861,809</u>	<u>1,887,716</u>

Custodial credit risk is the risk that in the event of a bank failure, the Foundation's deposits may not be returned. While the Foundation's investment policies do not address bank balances (other than money markets) that are uninsured or uncollateralized, deposits are generally required to be insured or collateralized.

(4) LIQUIDITY AND AVAILABILITY

The Foundation receives significant contributions with donor restrictions to be used in accordance with the associated purpose restrictions. It also receives gifts to establish endowments that will exist in perpetuity; the income generated from such endowments is used to fund programs. In addition, the Foundation receives support without donor restrictions; such support has historically represented less than 5% of annual program funding needs, with the remainder funded by investment income without donor restrictions and appropriated earnings from gifts with donor restrictions.

See Independent Auditors' Report.

(4) LIQUIDITY AND AVAILABILITY, CONTINUED

The Foundation considers investment income without donor restrictions; appropriated earnings from donor-restricted endowments; and contributions without donor restrictions and contributions with donor restrictions for use in current programs which are ongoing, major, and central to its annual operations to be available to meet cash needs for general expenditures. General expenditures include program commitments, as well as management, operating, and fundraising expenses expected to be paid in the subsequent year. Annual operations are defined as activities occurring during the Foundation's fiscal year.

The Foundation manages its cash available to meet general expenditures following three guiding principles:

- Operating within a prudent range of financial soundness and stability, including compliance with the Foundation's spending policy, which establishes limits on the amount of funds used for general expenditures each year.
- Maintaining adequate liquid assets.
- Maintaining sufficient reserves to provide reasonable assurance that long-term commitments and obligations under endowments with donor restrictions that support mission fulfillment will continue to be met, ensuring the sustainability of the Foundation.

EAST CENTRAL UNIVERSITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(4) LIQUIDITY AND AVAILABILITY, CONTINUED

The Foundation strives to maintain financial assets at a level to adequately fund 100% of the forecasted annual program commitments and management, operating, and fundraising expenses. The table below presents financial assets available for these general expenditures within 1 year at June 30:

	<u>2021</u>	<u>2020</u>
Financial assets at year-end:		
Cash and cash equivalents	\$ 1,025,775	1,861,809
Pledges receivable	114,735	492,535
Interest receivable	-	32,156
Investments	<u>41,056,869</u>	<u>33,507,708</u>
Total financial assets	<u>42,197,379</u>	<u>35,894,208</u>
 Less amounts not available to be used within 1 year due to:		
Restricted for passage of time	114,735	492,535
Restricted for specific purpose	3,671,550	3,539,984
Restricted in perpetuity—endowment	<u>30,939,570</u>	<u>29,731,557</u>
Financial assets not available to be used within 1 year	<u>34,725,855</u>	<u>33,764,076</u>
 Financial assets available to meet general expenditures within 1 year	<u>\$ 7,471,524</u>	<u>2,130,132</u>

See Independent Auditors' Report.

EAST CENTRAL UNIVERSITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(5) PLEDGES RECEIVABLE

Pledges receivable represent commitments by donors to contribute to the Foundation. Pledges receivable consisted of the following at June 30:

	<u>2021</u>	<u>2020</u>
Program activities for the University	\$ 114,735	492,535

The scheduled amounts to be received as of June 30 were as follows:

	<u>2021</u>	<u>2020</u>
Amounts due in:		
Less than 1 year	\$ 114,735	382,500
1–5 years	-	110,035
	<u>\$ 114,735</u>	<u>492,535</u>

Pledges receivable that are expected to be collected in less than 1 year are recorded at net realizable value. Pledges receivable in subsequent years have not been discounted to net realizable value, the effect of which is considered to be insignificant to the financial statements. The commitments are to be paid as specified by the individual pledge agreements and, accordingly, are presented as net assets with donor restrictions in the accompanying financial statements.

An allowance for possible uncollectable pledges receivable is not considered necessary by management as the pledges are monitored and any deemed uncollectable are written-off as determined.

See Independent Auditors' Report.

EAST CENTRAL UNIVERSITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(6) INVESTMENTS

The Foundation primarily uses an investment manager to manage the investments, which includes purchasing and sales. As of June 30, 2021, the investment manager was Vanguard Institutional Advisory Services (“Vanguard”). As of June 30, 2020, the investment manager was the Teachers’ Insurance and Annuity Association (TIAA).

As of both June 30, 2021 and 2020, the Foundation’s target allocation and allocation range for assets were as follows:

Asset Class	Target Asset Allocation	Allocation Range
Cash equivalents	<u>1%</u>	1%–4%
Core fixed income	24%	
Treasury inflation protected securities (TIPS)	8%	
High yield fixed income	6%	
International fixed income	<u>6%</u>	
Total fixed income	<u>44%</u>	35%–55%
U.S. large cap equity	23%	
U.S. mid cap equity	7%	
U.S. small cap equity	4%	
International large/mid cap equity	12%	
International small cap equity	3%	
Emerging markets equity	3%	
Real estate (REIT)	<u>3%</u>	
Total equity	<u>55%</u>	45%–65%
Total	<u>100%</u>	

The investment policy also has certain specific prohibitions, such as no more than a 25% concentration of investments in one industry, nor more than a 5% ownership of any one company or more than 5% ownership of securities of a single issuer, other than the U.S. government.

The policy requires evaluation and reallocation as needed.

See Independent Auditors’ Report.

EAST CENTRAL UNIVERSITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(6) INVESTMENTS, CONTINUED

Investment securities are presented at fair value. The Foundation had the following investments at June 30:

	<u>Cost</u>	<u>Fair Value</u>	<u>Excess (Deficit) of Fair Value Over Cost</u>
<u>2021</u>			
<u>Current:</u>			
Certificate of deposit	\$ 53,842	53,842	-
<u>Non-current:</u>			
Mutual funds	36,058,166	40,771,131	4,712,965
Corporate stock—private	141,281	141,281	-
Certificate of deposit	90,615	90,615	-
	<u>\$ 36,343,904</u>	<u>41,056,869</u>	<u>4,712,965</u>
<u>2020</u>			
<u>Current:</u>			
Certificate of deposit	\$ 53,361	53,361	-
<u>Non-current:</u>			
Mutual funds	24,570,253	25,709,894	1,139,641
U.S. government securities	3,890,313	4,020,749	130,436
Corporate bonds	3,393,316	3,526,328	133,012
Corporate stock—private	107,250	107,250	-
Certificate of deposit	90,126	90,126	-
	<u>\$ 32,104,619</u>	<u>33,507,708</u>	<u>1,403,089</u>

The Foundation recognized \$2,920,498 and \$784,013 during 2021 and 2020, respectively, from net gains on the sale of investments. These gains have been combined with unrealized gains and losses and allocated throughout the year through the consolidated investment pool.

See Independent Auditors' Report.

*The Foundation used Standard & Poor's (S&P) rating at June 30, 2020.

As of June 30, 2021 and 2020, the Foundation's investment balance included \$144,457 and \$143,487, respectively, of certificates of deposit held at financial institutions. The certificates of deposit are insured by the corresponding financial institution up to \$250,000, which is the Federal Deposit Insurance Corporation (FDIC) and National Credit Union Share Insurance Fund (NCUSIF) limit. At both June 30, 2021 and 2020, there was no concentration (uninsured amount).

See Independent Auditors' Report.

EAST CENTRAL UNIVERSITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(6) INVESTMENTS, CONTINUED

Custodial Risk

For investments, custodial risk is the risk that in the event of the failure of the counterparty, the Foundation will not be able to recover the value of its investments or collateral securities in the possession of an outside party.

(7) REAL ESTATE HELD AS INVESTMENT

The Foundation owns a lot located at the corner of Arlington and Mississippi in Ada, Oklahoma, for the purpose of establishing the William Chapman Accounting Scholarship.

A summary of real estate held as investment at June 30 is as follows:

	<u>2021</u>	<u>2020</u>
Land:		
Lot, Arlington and Mississippi, Ada, Oklahoma	\$ 12,500	12,500
	<u>\$ 12,500</u>	<u>12,500</u>

The property has been recorded at its appraised value at the date the gift was given.

(8) ARTWORK

During 2014, the Foundation received a donation of various pieces of artwork. The artwork is not being held as an investment. Each item is cataloged for educational, research, scientific, or curatorial purposes, and activities verifying the existence and assessing the condition of the items are performed continuously. The artwork was recorded at appraised value at the date the gift was given. There will be no planned depreciation of the artwork as it will be reviewed periodically for impairment. During 2016, the Foundation received another donation of various pieces of artwork appraised at approximately \$24,000. This artwork also is not being held as an investment and is respectively cataloged and assessed in the same manner as the existing artwork. At both June 30, 2021 and 2020, the combined artwork had a total value of approximately \$330,000.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(9) FURNITURE AND EQUIPMENT

As of June 30, furniture and equipment consisted of the following:

	<u>2021</u>	<u>2020</u>
Furniture and equipment	\$ 33,347	33,347
Less accumulated depreciation	<u>(33,347)</u>	<u>(33,347)</u>
Net furniture and equipment	<u>\$ -</u>	<u>-</u>

Depreciation expense was \$0 and \$198 for 2021 and 2020, respectively.

(10) DEPOSITS HELD FOR OTHERS

The Foundation occasionally receives money on behalf of other entities and acts as a custodian of the funds. These amounts received were not considered to be significant to the Foundation's financial statements at June 30, 2021 or 2020.

(11) NET ASSET COMPOSITION

Net assets with donor restrictions were as follows for the years ended June 30:

	<u>2021</u>	<u>2020</u>
Endowments subject to the Foundation's spending policy and appropriation	\$ 36,355,816	31,239,842
Specific purpose	3,671,550	3,539,984
Passage of time:		
Pledge receivable	<u>114,735</u>	<u>492,535</u>
	<u>\$ 40,142,101</u>	<u>35,272,361</u>

See Independent Auditors' Report.

EAST CENTRAL UNIVERSITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(11) NET ASSET COMPOSITION, CONTINUED

Net assets without donor restrictions were as follows for the years ended June 30:

	<u>2021</u>	<u>2020</u>
Undesignated	\$ <u>2,391,673</u>	<u>939,520</u>

Net assets released from net assets with donor restrictions during the years ended June 30 were as follows:

	<u>2021</u>	<u>2020</u>
Satisfaction of purpose restrictions:		
Programs for the University	\$ 1,357,768	1,406,555
Scholarships	760,925	673,662
Management and operating	<u>-</u>	<u>10</u>
	<u>\$ 2,118,693</u>	<u>2,080,227</u>

(12) RETIREMENT PLANS

The Foundation has two employees who participate in the retirement plans and benefit programs of the University. The plans available include the Oklahoma Teachers' Retirement System (OTRS), which is a State of Oklahoma public employees' retirement system and a defined contribution plan, and the Supplemental Retirement Annuity, a single-employer defined benefit pension plan available to employees hired prior to July 1, 1987. During the years ended June 30, 2021 and 2020, the Foundation paid approximately \$20,000 and \$17,000, respectively, to OTRS.

The Foundation has not disclosed any amounts or items required by the Governmental Accounting Standards Board (GASB) Statement No. 68, *Accounting and Financial Reporting for Pensions*, and GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. As the Foundation employees are considered employees of the University, all such disclosures will be made by the University.

See Independent Auditors' Report.

EAST CENTRAL UNIVERSITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(13) RELATED-PARTY TRANSACTIONS

The Foundation occupies, without charge, certain premises located on the campus of the University.

The Foundation benefits from voluntary services donated by related individuals and businesses which have not been reflected in the financial statements due to their immateriality.

At June 30, 2021 and 2020, the Foundation had \$225,625 and \$275,063, respectively, on deposit at a local bank for which a Board member of the Foundation also serves as an officer.

(14) COMMITMENT

During August 2019, the Board and donors approved a 5-year commitment of \$350,000 to assist with the University football program. The Foundation made the first two payments of \$70,000 each for the years ended on June 30, 2021 and 2020. Future payments on the 5-year commitment are as follows:

Year Ending June 30:	
2022	\$ 70,000
2023	70,000
2024	<u>70,000</u>
	<u>\$ 210,000</u>

(15) ENDOWMENTS

The Foundation's endowments consisted of 352 and 334 individual donor-restricted funds as of June 30, 2021 and 2020, respectively, established for a variety of scholarships and activities. As required by accounting principles generally accepted in the United States, net assets associated with endowment funds are classified and reported based on donor-imposed restrictions. The endowments represent only those net assets that are under the control of the Foundation.

See Independent Auditors' Report.

EAST CENTRAL UNIVERSITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(15) ENDOWMENTS, CONTINUED

Interpretation of Relevant Law

The Foundation is subject to the Uniform Prudent Management of Institutional Funds Act (UPMIFA) and, thus, classifies as net assets with donor restrictions (a time restriction in perpetuity) the original value of endowed gifts, and any subsequent gifts to the donor-restricted endowment. Investment earnings from the donor-restricted endowment are classified as net assets with donor restrictions (a purpose restriction) until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the donor-stipulated purpose within the standard of prudence prescribed by UPMIFA.

Spending Policy

The Foundation has established a spending policy whereby the total amount available to be disbursed (i.e., the “Distributable Cash Income”) from the Foundation’s endowment fund and operating fund is determined annually.

The Distributable Cash Income is determined using the most recent 5-year average return on investments (ROI). The purpose of the spending policy is to establish an overall spending limit for the amount of money that can be disbursed from the Foundation’s endowment fund and operating fund each fiscal year. The spending policy limit is determined by March 31 of each year and is used for budgeting purposes for the following fiscal year that starts on July 1.

The primary goal of the spending policy is to position the endowment fund and the unrestricted fund so that there is a balance between long-term growth and accumulation versus annual distributions.

The spending policy utilizes the most recent 5-year average ROI percentage, which allows for long-term ROI trends to be built into the spending policy. The spending policy calculation will have an annual floor and ceiling which will enable the Foundation to spend a base amount from the endowment fund in low ROI periods and have extra savings in high ROI periods.

Funds with Deficit Balances

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration. No deficit balances of this nature were reported in net assets with donor restrictions at June 30, 2021 or 2020.

See Independent Auditors’ Report.

EAST CENTRAL UNIVERSITY FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(15) ENDOWMENTS, CONTINUED

Endowment Net Asset Composition

The endowment net asset composition by type of fund as of June 30 was as follows:

	Donor-Restricted in Perpetuity	
	<u>2021</u>	<u>2020</u>
Original donor-restricted gift amounts and amounts required to be maintained in perpetuity by donor	\$ 30,939,570	29,731,557
Accumulated investment earnings	<u>5,416,246</u>	<u>1,508,285</u>
	<u>\$ 36,355,816</u>	<u>31,239,842</u>

Changes in Endowment Net Assets

Changes in the endowment net assets for the years ended June 30 were as follows:

	Donor-Restricted in Perpetuity	
	<u>2021</u>	<u>2020</u>
Net assets, beginning of year	\$ 31,239,842	29,625,635

Investment earnings, net	5,221,147	754,486
Amounts appropriated for expenditures	<u>(1,313,186)</u>	<u>(981,901)</u>
Net assets, end of year	<u>\$ 36,355,816</u>	<u>31,239,842</u>

See Independent Auditors' Report.

(16) **FAIR VALUE MEASUREMENTS**

Fair Value Measurements

The Foundation reports certain assets at fair value in the financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset based on the best information available. A three-tier hierarchy categorizes the inputs as follows:

Level 1—Quoted prices (unadjusted) in active markets for identical assets that the Foundation can access at the measurement date.

Level 2—Inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. These include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, inputs other than quoted prices that are observable for the asset, and market-corroborated inputs.

Level 3—Unobservable inputs for the asset. In these situations, the Foundation develops inputs using the best information available in the circumstances.

In some cases, the inputs used to measure the fair value of an asset might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to entire measurement requires judgment, taking into account factors specific to the asset. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to the Foundation's assessment of the quality, risk, or liquidity profile of the asset.

The Foundation uses appropriate valuation methods based on the available inputs to measure the fair value of its assets.

(16) **FAIR VALUE MEASUREMENTS, CONTINUED**

Fair Value Measured on a Recurring Basis

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of financial position, as well as the general classification of such assets pursuant to the valuation hierarchy.

Investments

A significant portion of the Foundation's investment assets are classified within Level 1 because they comprise open-end mutual funds with readily determinable fair values based on daily redemption values. The Foundation invests in certificates of deposit held at other financial institutions. Those certificates of deposit and U.S. government obligations are valued by the custodians of the securities using pricing models based on credit quality, time to maturity, stated interest rates, and market-rate assumptions, and are classified within Level 2. Fair value for the privately owned corporate stock is determined by an annual independent appraisal using a combination of the market values and the investment value methods, which are considered Level 3 inputs. The fair value measurements considered to be observable inputs may include dealer quotes, market spreads, cash flows, the U.S. Treasury yield curve, live trading levels, trade execution data, market consensus prepayment speeds, credit information, and the security's terms and conditions, among other things.

(16) FAIR VALUE MEASUREMENTS, CONTINUED

Fair Value Measured on a Recurring Basis, Continued

The following table presents the fair value measurements of assets recognized in the accompanying statements of financial position at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at June 30:

	Assets Measured at <u>Fair Value</u>	Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>2021</u>				
Mutual funds	\$ 40,771,131	40,771,131	-	-
Certificates of deposit	144,457	-	144,457	-
Corporate stock—private	141,281	-	-	141,281
	<u>\$ 41,056,869</u>	<u>40,771,131</u>	<u>144,457</u>	<u>141,281</u>
<u>2020</u>				
Mutual funds	\$ 25,709,894	25,709,894	-	-
U.S. government securities	4,020,749	-	4,020,749	-
Corporate bonds	3,526,328	-	3,526,328	-
Certificates of deposit	143,487	-	143,487	-
Corporate stock—private	107,250	-	-	107,250
	<u>\$ 33,507,708</u>	<u>25,709,894</u>	<u>7,690,564</u>	<u>107,250</u>

The Foundation had no assets measured at fair value on a recurring basis that were transferred into or out of Level 3 for the years ended June 30, 2021 or 2020. The Foundation had no purchases or issues of Level 3 assets for the years ended June 30, 2021 or 2020.

See Independent Auditors' Report.

(16) **FAIR VALUE MEASUREMENTS, CONTINUED**

Fair Value Measured on a Nonrecurring Basis

The following is a description of the valuation methodologies used for assets measured at fair value on a nonrecurring basis and recognized in the accompanying statements of financial position, as well as the general classification of such assets pursuant to the valuation hierarchy. The valuation methodologies are consistently applied from year to year.

Real Estate Held as Investment

The fair values of real estate held as investment are based on management's estimated fair values using unobservable Level 3 inputs.

The Foundation had real estate held as investment carried at fair value on a nonrecurring basis at both June 30, 2021 and 2020. The investment had a fair market value of \$12,500 as of both June 30, 2021 and 2020.

(17) **RISKS AND UNCERTAINTIES**

The novel coronavirus ("COVID-19"), which was declared a global health emergency in January 2020 and a pandemic in March 2020, has caused significant changes in political and economic conditions around the world, including disruptions and volatility in the global capital markets. In response, the State of Oklahoma and local municipalities, including the City of Ada, Oklahoma, have taken various preventative or protective actions, such as imposing restrictions on business operations and advising or requiring individuals to limit or forgo their time outside of their homes. These issues impacted the operations of both the Foundation and the University during the years ended June 30, 2021 and 2020, including instituting remote work requirements for some employees and remote classroom learning for the University's students. The Foundation obtained two separate loans under the CARES Act PPP loan program totaling \$94,277 to help mitigate the impact of the COVID-19 pandemic on its operations. The Foundation's management has considered the economic implications of the COVID-19 pandemic in making critical and significant accounting estimates included in the accompanying, financial statements.

The extent to which the COVID-19 pandemic may impact the Foundation will depend on future developments which are uncertain, such as the duration of the outbreak, additional governmental mandates issued to mitigate the spread of the disease, business closures, economic disruptions, and the effectiveness of actions taken to contain and treat the virus. Accordingly, the COVID-19 pandemic may have a negative impact on the Foundation's future operations, the size and duration of which is difficult to predict. The Foundation's management will continue to actively monitor the situation and may take further actions altering operations that the Foundation's management determines are in the best interests of its employees and stakeholders, or as required by federal, state, or local authorities.

See Independent Auditors' Report.

**INDEPENDENT AUDITORS' REPORT ON
INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Trustees
East Central University Foundation, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of East Central University Foundation, Inc. (a nonprofit organization) (the "Foundation"), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 13, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Foundation's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**INDEPENDENT AUDITORS' REPORT ON
INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS, CONTINUED**

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
