Welcome to East Central

Thank you for considering East Central University for your summer camp or conference. Whether you need a destination for an entire event or just a place to eat and sleep, you'll find it at ECU: guest rooms, dining, sports and recreation, conference facilities, presentation equipment, security—everything your group needs to conduct a successful event.

Residence Hall Services

Most rooms in our residence halls are furnished with two single beds, closets, two desks, two dresser units with ample drawer space, and a bathroom with a walk in shower.

Located directly east of the Linscheid Library, Pontotoc Hall accommodates 300 guests, with a main lobby where you'll find a front desk, as well as two other lobby areas that can be used for lounge and meeting space.

Located south of Linscheid Library and attached to Taff Cafeteria, Briles Hall accommodate 150 guests, with a front desk located in the main, third floor lobby. Additionally, a lounge space is also located on the first floor.

Guests' mail and messages are held at the residence hall front desk for pick up. Mail sent to guests at ECU may be addressed to:

Name of guest
Name of conference
1100 E 14th St PMB R-7
Ada, OK 74820

The residence halls have all the other conveniences you would expect: vending machines; free laundry facilities; lounges; and meeting areas.

The Housing & Residence Life department will provide staff to conduct room check-in's and staff to monitor the main lobby at night. They will also provide you with contact information for housing personnel.

Things to Bring

Pontotoc Hall and Briles Hall beds are XL twin. All other rooms are equipped with a "regular length" twin size bed. Guests will need to bring their own bedding, toiletries, curtain/curtain rod and television/computer (if desired). Our rooms do not have a full length mirror, so you may want one of these as well. There is a window in your room, if you wish to have window coverings please bring them, for we do not provide curtains or blinds for you. You may also need irons and ironing boards if your wardrobe requires them.

What We Need From You

Parking permit arrangements

If any member of your camp or conference is needing to park in a lot outside of the residence hall parking areas, they will need to obtain a guest parking pass. These passes are issued at the University Information Desk located in the Bill S. Cole University Center. For more information about guest parking passes, feel free to contact Robert Hayes at (580) 559-5741.

Guest supervision

You'll be responsible for arranging an appropriate number of counselors to stay in the residence halls and provide adequate supervision for members of your group. Youth guests must be supervised at all times while on Housing and Residence Life property (at least one adult for every 20 youths). College students may be able to provide extra supervision for youth guests, but you will still be responsible for providing adequate adult supervision.

Responsible publicity

Please be sure that all publicity for your conference accurately represents ECU and/or Housing and Residence Life in accordance with the information in the conference planning guide and the summer program agreement.

Security awareness

All residence hall exterior doors will be locked at all times. You will need the issued access card to gain entry to the building.

We rely on your cooperation to maintain adequate security, so please make sure your youth guests are supervised closely at all times. Please advise guests not to prop open doors for any reason.

Housing and Residence Life staff will help monitor main entrances in the evening. A staff member will make periodic rounds to check doors, lobbies, and parking lots. However, you and your staff play a crucial role in maintaining building security.

Emergency awareness

Information on fire and severe weather procedures will be available at check-in. We will also look to your leadership and that of your staff, should any emergency situation arise.

Medical emergencies should be referred to local hospitals. Call 911 or ask members of the housing staff or the University Police Department (580-559-5555) for assistance.

Room assignments

You can make room assignments or let us do it for you. One week prior to your arrival, we will need an alphabetized roster or room assignment list, preferably an electronic Microsoft Excel document. Once the list is received, we will provide a map of the floor layouts with room numbers. Here are the general formats that work best for us:

If you make the room assignments:

Two typewritten, alphabetized (by last name, please) guest lists, one for females and one for males. They should look something like this:

(Name of your conference)

Just leave the space blank, if they don't. (Yes, some names will appear twice.) For guests who want a single room, please indicate that in the desired roommate column.

Prior to checking in, our staff will access the current condition of rooms assigned to each group. You are strongly encouraged to walkthrough the building immediately prior to checking in guests. If you would like this option, please contact our office and a staff person will be assigned to complete the walkthrough with you. This walkthrough allows the camp/conference host and housing personnel to share notes about the condition of the rooms prior to move-in. Any damages that are found in the rooms will be billed back to the camp/conference. This walkthrough is an opportunity to ensure that there are no pre-existing conditions.

Camp sponsors are responsible for informing campers about any camp specific rules while inside the building as well as ensuring that all rules are followed. Camp sponsors must also provide housing staff with a contact phone number. This number will be used anytime there is an emergency or discipline issue.

At the completion of the program, each counselor should complete post-camp/conference walkthrough to ensure that there are no damages and that the room is in the same condition it was upon move-in. Any cleaning issues or damages will be billed back to the camp/conference. Once the walkthrough is complete, keys can be inventoried and returned. If you have concerns about conditions of your rooms, a staff person can walk through the building with you.
