**NOTES:**

- ⇒ \*\* Math 2113, Math 2214 and Math 2233 will substitute for ECU Math 1213 Intro to Probabilities & Statistics which can be used to satisfy the ECU Math General Education Requirement
- ⇒ † ECU Requires that students pass these specific courses with a grade of “C” or better: ENG 1113, ENG 1213, and CRJS 2233. This requirement applies to MSC students transferring into the Criminal Justice Program.
- ⇒ Articulated using MSC’s A.S. in Criminal Justice without a Minor. A Minor is not required.
- ⇒ A student transferring with an Associate degree in Arts or Science from MSC fulfills ECU’s general education requirement by transferring his or her credit to East Central University. Transferring credit for general education does not eliminate or otherwise affect any of the following ECU requirements: (1) prerequisites; (2) specific requirements in majors, minors, or related work in these areas; or (3) the requirements for teacher certification. General Education equivalencies can be found by referring to either the Oklahoma State Regents Transfer Matrix or the ECU Transfer Matrix. Both matrices can be found at [www.ecok.edu](http://www.ecok.edu) by clicking on *Admissions* and scrolling down to *Course Transfer Matrix*.
- ⇒ A student must earn at least 40 semester hours in upper-division courses (numbered 3000 or higher). A course taught at MSC may equate in content to an ECU 3000-4000 level course, but it will not be counted as part of the 40 hours of upper level courses.
- ⇒ A student must earn at least 60 semester hours, excluding physical activity courses, at a baccalaureate degree granting institution.
- ⇒ A Student must earn at least 124 credit hours that apply to an ECU Bachelor’s degree.
