Bachelor of Science: Kinesiology

Course Equivalency Table

| Seminole State College | East Central University |
|--|-------------------------------|
| HPER 1953 Intro to Health, Phys. Ed., & Rec. | KIN 1963 Intro to Kinesiology |
| HPER 1012 Wellness and Human Development | KIN 2122 Choices in Wellness |
| HPER 2222 First Aid/CPR | KIN 2273 First Aid |
| HPER 2413 Applied Anatomy | KIN 2413 Applied Anatomy |
| PSY 1113 General Psychology | PSYCH 1113 General Psychology |

Articulated using SSC's A.S. For Health, Physical Education, & Recreation.

General Education equivalencies can be found by referring to either the Oklahoma State Regents Transfer Matrix or the ECU Transfer Matrix. Both matrices can be found at www.ecok.edu by clicking on *Academics* and scrolling down to *Course Transfer Matrix*.

Articulated without a minor. A minor is not required, please see an advisor for appropriate courses.

**Will transfer as course content but not for upper level credit: Student should meet with an ECU advisor for more information.

NOTES:

A student transferring with an Associate degree in Arts or Science from SSC fulfills ECU's general education requirement by transferring his or her credit to East Central University. Transferring credit for general education does not eliminate or otherwise affect any of the following ECU requirements: (1) prerequisites; (2) specific requirements in majors, minors or related work in these areas; or (3) the requirements for teacher certification.

A student must earn at least 40 semester hours in upper-division courses (numbered 3000 or higher). A course taught at SSC may equate in content to an ECU 3000-4000 level course, but it will not be counted as part of the 40 hours of upper level courses.

A student must earn at least 60 semester hours, excluding physical activity courses, at a baccalaureate degree granting institution.
